NOMINATION FORM 2010/2011 SEASON

If you have two or more teams in any one league, you must provide your players names on the form overleaf for each of them, except the lowest one of each respective league.

These named players become your “nominated” players and **must play in two of the first three matches** of the team for which they are nominated. Having been nominated for that particular team, that player **cannot play down** in a lower team at any time during the season. However, he/she may play up for a higher team on three occasions in the mixed league or twice in the ladies or mens. On the fourth occurrence of playing up in the mixed, or the third occurrence in the mens/ladies, they are no longer eligible to play for the team for which they were first nominated.

Please refer to rules 9f – 9h in the handbook for more information.

With 460 matches in various leagues this season, it means 4.480 names on score cards for me to manage. Clearly, there are instances where the person filling out the score card doesn't even know their own players names, never mind the oppositions, and it becomes a somewhat hit and miss affair whether I can match a players name with what I already have on the database.

Please make by job as easy as possible and discover the **proper spelling of players names and record them accurately on the score card, in BLOCK CAPITALS please.**

Please write the names of your nominated players **IN CAPITAL LETTERS** in the spaces below for all of your teams except the lowest one of each league. For example, your lowest team is your 3rd team if you have three teams or your 4th team if you have four teams.

Sign the declaration below and return the form to me please, **postmarked before your club's first fixture or by the 30 September 2010, whichever is sooner.**
